OCEAN PARK ASSOCIATION MISSION STATEMENT

The Ocean Park Association was founded in 1881 as a summer retreat under Charter granted by the State of Maine. The purpose of the OPA is to affirm the tradition and spiritual heritage of which we are heirs, through a summer assembly program where Christian worship, principles, and ideals are at the focus; where diversity is celebrated and the dignity of all is embraced and respected; where the natural beauty of our seaside resort is conserved and enhanced; and where programs centered on religion, education, recreation, and culture provide opportunities for individual growth and family enrichment.

I understand that an Active Member pays annual dues and, whenever possible, participates on committees and attends the annual meeting.

YOUR MEMBERSHIP MATTERS!

Ocean Park is a special place, and we rely on the support, efforts and ideas of our members to preserve this community.

Membership dues are an important part of the Ocean Park Association's ability to meet its budgetary needs. In addition to providing general support for the mission, programs, and facilities of the Ocean Park Association, dues-paying members are eligible to:

- Vote at the Annual Meeting. (Please note that only dues-paying members who own property in Ocean Park are eligible to vote on the sale of property at the Annual Meeting.)
- Hold office and serve on committees of the Board of Directors.

Dues-paying members receive several benefits, such as:

- Substantial savings on rentals of Ocean Park facilities
- Recognition in the Program Booklet as an Ocean Park Association Member
- Receiving the Program Booklet ahead of its public release
- Use of the Memorial Library for no additional fee.

Membership dues are partly tax-deductible, but the most rewarding member benefit is knowing that you've helped to ensure that Ocean Park remains more than just a day at the beach for generations to come. Please complete the membership application and send it to the Ocean Park Association office to begin your membership today!
