# CELEBRATION PAVERS

## BECOME A PART OF THIS OCEAN PARK TRADITION

Since May, 2013 close to 400 families and individuals have contributed to the “Restore & Renew Our Village” Capital Campaign. Now, **in addition** to the generous pledges and one-time gifts that have been offered by members and friends of the Ocean Park Association, we are revealing a new way to celebrate the accomplishments and memories of our loved ones.

We are pleased to announce the opportunity to become forever "etched" into the heart of the Ocean Park community by purchasing a personalized and commemorative granite paver to be installed in the walkway outside the Memorial Library in Demerritt Square. The engraved pavers in the walkway will be a permanent tribute to those individuals who share a love of Ocean Park.

The individually engraved pavers form the path by which visitors will pass on their way into the renovated Library. By adding your name, or that of a loved one, to a brick, you will be joining countless other Ocean Park friends—to pave the foundation for a promising future for this place we love.

Make a first impression and be one of the first to set in stone your love for Ocean Park today and become a part of the history of Ocean Park.

The pathway granite pavers (4x8) are available for a tax deductible donation of \$300.00 each.
