By submitting this Application for Membership, I will support the purpose and goals of Ocean Park Association as set forth in its Mission Statement below:

*The Ocean Park Association was founded in 1881 as a summer retreat under Charter granted by the State of Maine. The purpose of the OPA is to affirm the tradition and spiritual heritage of which we are heirs, through a summer assembly program where Christian worship, principles, and ideals are at the focus; where diversity is celebrated and the dignity of all is embraced and respected; where the natural beauty of our seaside resort is conserved and enhanced; and where programs centered on religion, education, recreation, and culture provide opportunities for individual growth and family enrichment.*

### *MORE THAN JUST A DAY AT THE BEACH!*

Ocean Park has so much to offer its residents and visitors. But, it takes the involvement and support of the members of Ocean Park Association to sustain its programs and properties, to fulfill its mission and to make Ocean Park what it is and can be.

**See below for ways in which you can be a part of keeping Ocean Park Association strong and able to meet the needs of its members.**

*Membership dues are an important part of the financial support needed to provide and maintain the mission, programs and facilities of the Ocean Park Association. Your dues are partly tax deductible, but the most rewarding member benefit is knowing that you have helped ensure that Ocean Park remains more than just a day at the beach for generations to come.*
