CELEBRATION PAVERS

BECOME A PART OF THIS OCEAN PARK TRADITION

In 2015, we revealed a new way to celebrate the accomplishments and memories of our loved ones that offers the opportunity to become forever "etched" into the heart of the Ocean Park community! Purchasing a personalized and commemorative granite paver that will be installed in the walkway outside the Memorial Library in Demerritt Square. The engraved pavers in the walkway will be a permanent tribute to those individuals who share a love of Ocean Park.

The individually engraved pavers form the path by which visitors will pass on their way into the Memorial Library. By adding your name, or that of a loved one, to a brick, you will be joining countless other Ocean Park friends - to pave the foundation for a promising future for this place we love and become a part of the history of Ocean Park.

The pathway granite pavers (4x8) are available for a tax deductible donation of \$300.00 each.
