By submitting this Application for Membership, I will support the purpose and goals of Ocean Park Association as set forth in its Mission Statement below:

The Ocean Park Association was founded in 1881 as a summer retreat under Charter granted by the State of Maine. The purpose of the OPA is to affirm the tradition and spiritual heritage of which we are heirs, through a summer assembly program where Christian worship, principles, and ideals are at the focus; where diversity is celebrated and the dignity of all is embraced and respected; where the natural beauty of our seaside resort is conserved and enhanced; and where programs centered on religion, education, recreation, and culture provide opportunities for individual growth and family enrichment.

Ocean Park Association Vision Statement:

We imagine a world in which Ocean Park is a welcoming community for all, where:

- We celebrate and preserve our heritage, while remaining open to new ideas and activities that enrich our lives and the community.*
- Our educational, recreational, religious, and cultural programs inspire and engage all generations.*
- Our natural environment is nurtured and cared for and our properties are well maintained.*
- We maintain a good relationship with neighboring communities and allied organizations.*
- We create an environment that inspires participation in community activities and in the Ocean Park Association (OPA).*
- This is all supported by a healthy, financially stable organization.*

MORE THAN JUST A DAY AT THE BEACH!

Ocean Park has so much to offer its residents and visitors. But, it takes the involvement and support of the members of Ocean Park Association to sustain its programs and properties, to fulfill its mission and to make Ocean Park what it is and can be.
